

# Miller Garden Club

## March 2008

Starting the year off with a bang: The first meeting of the Miller Garden Club is **Saturday, March 15** and Vice President Pete Riffle has lined up Kevin Clark to speak to us. Kevin is a member of the Illiana Garden Pond Society and is the owner of Aquatic Pond Supplies. He will present "Pond Components: the Different Pieces used in Building a Low Maintenance Garden Pond Project." I love the "low maintenance" part.

Our meeting begins at **10:00 a.m. at the Aquatorium.**

Judy Ayers, Corya Channing and Linda Kennedy are off and running with plans for the 2008 **Garden Walk**. You'll get the full scoop at the meeting. There will also be an update on the Shelby/Oak Street planter project.

The Garden Club mailed a sympathy card to founding president John Nickerson on the passing of his partner and former Garden Club member, Richard Johnson. John mailed us a nice thank you letter back.

Please look around your house and start thinking about plants that need dividing for our Plant Sale in May. It will be here faster than you think.
